

Sometimes learning is not easy,  
despite the effort of teacher, parents and child

## Tutoring

### Homework assistance

## Learning support

We offer extra support through tutoring and homework support in Dutch.

### Personal

1. Individual attention for your son or daughter
2. Adapted to each child
3. Close contact with the parents
4. Intake: determine the need for help and approach

### Flexible

1. Individual sessions
2. 10-lessons-card, valid for 12 weeks
3. Knowledge of all fields of primary education
4. Start at any time
5. Both short and long-term tutoring is possible
6. Possibility of an introduction lesson

### No registration fees

### Affordable

1. One-on-one session: 30 minutes for € 20
2. Group (max. 4 students): reduced rate on request
3. Payment in installments is possible

The help is provided by certified Remedial Teachers Nicole den Bouw and Jessica Peeters. You can contact them for substantive questions or additional information.

The lessons will be in Dutch.
